

TRAVEL SAFE THIS SUMMER!

To find out how you can travel safely and have fun this summer visit safe4summer.com

Trams are like trains – don't get in their way

Railway trains weigh up to 400 tonnes
– equal to 80 elephants travelling at 125mph – Don't play on railway lines

Antisocial behaviour is being watched by CCTV

Verbal abuse could get you banned from public transport

Every year 60 people are killed after being hit by trains

Look where you are walking when in bus stations
and always use crossing points

Stay clear of Metrolink construction sites

Always act with consideration for other passengers

Foolish games cost lives

Electric power cables for trams and trains carry up to 25000 volts!

Stay well clear!
